Dear: Guest

The Wichita Chapter of the International Facility Management Association (IFMA) invites you to become a member of the largest and most recognized association for the facility management profession.

Our motivation for contacting you is simple. In addition to sharing with you the benefits open to you through IFMA membership, we have a commitment to reach out to fellow facility managers in the Wichita area, hoping to build long-lasting and mutually beneficial professional relationships.

IFMA membership provides you with the tools to meet the complex challenges of the modern workplace. Membership in the IFMA global chapter network ensures that you get the most out of your IFMA membership, while also making valuable local contacts.

The Wichita Chapter's monthly meetings are designed to provide members with education, information and interaction necessary for professional growth and career advancement. Local networking, chapter-specific resources such as networking with local peers, newsletter, educational programs and workshops, and leadership opportunities contribute to outstanding value that membership in the Wichita Chapter provides.
